

# AKHTAR DIWAN

## Sr. Web Developer

+91 8200699533 | diwanakhtar34@gmail.com | Rajkot, Gujarat 360001

### PROFILE

I am a dedicated Laravel Developer with around 3 years of experience in developing scalable web applications and backend systems. Skilled in Laravel, Next.js, and NestJS, with a strong grasp of database design, project architecture, and API integration. I have built and deployed several e-commerce platforms, booking systems, and management ERPs, following a structured and efficient approach to ensure maintainability and performance.

### WORK EXPERIENCE

#### Tilva Artsoft

Web Developer | Sep 2022 – Present

- Developed and maintained dynamic web applications using Laravel, Next.js, and NestJS.
- Designed RESTful APIs and integrated third-party services for various client projects.
- Managed database structures and optimized queries for performance and scalability.
- Collaborated with cross-functional teams to deliver e-commerce and ERP solutions.
- Implemented responsive UI components and ensured code quality using Git version control.

### EDUCATION

#### Diploma in Computer Engineering
